TABLE OF CONTENTS

CLASS

OBJECTIVES

CLASSES

OBJECTIVES

- ▶ Expose you to fundamental mathematical concepts and techniques
- ▶ Learn how to solve exercises
- ▶ Teambuilding
- ▶ The more you sweat in training, the less you bleed in combat.

TABLE OF CONTENTS

CLASS

OBJECTIVES

CLASSES

CLASSES

- ▶ Content published on Google Drive and on jakubpawelczak.com
- ▶ Let me know if you don't have access to google drive
- ▶ No credit but worth effort
- ▶ Mathcamp is all about tools
- ▶ Notation and basics of \mathbb{R} today
- ▶ Quiz today

How does it work?

- ▶ I present definitions, lemmas and theorem
- ▶ I write proofs, you rewrite?
- ▶ You solve exercise, you rewrite?
- ▶ Do not hesitate to ask **relevant** questions.
- ▶ Please interrupt me every time you think I made typo or there is mistake in my proof. We will all benefit from it!

Questions?
